# PADI Seal Team

## **PADI SEAL TEAM (8 YRS+)**

The PADI seal team is for young divers who are looking for action packed fun in a pool by doing exciting scuba aqua missions

Here's your chance to do some cool stuff in the pool, meet friends and share in the adventure of the underwater world.

Give us call or e-mail us to get class schedules and rates!

## **The Fun Part**

The best part of the specialty aqua missions is they reinforce safe diving skills while the kids are having fun. PADI Seals get to sample a wide variety of dives.

## **What you learn**

The padi seal team program is broken into two parts.

Part one, aquamissions 1 - 5, teaches kids the basics of diving - things like buoyancy control, mask clearing, regulator recovery, etc.

after building a solid foundatino of scuba skills, kids move on to part two. Part two is full of specialty aquamissions, which usually last about an hour.

## **PADI Seal Team**

Helps children learn responsibility

teaches children about the aquatic environment

is a fun pool-only experience

Is conducted by certified, trained PADI professionals

## **Prerequisites**

To participate in PADI Seal Team, a child

Must be at least 8 years old
